ABBOTSFORD CONCRETE PRODUCTS

Elephant Armor

the World's Most Amazing Cementitious Patch and Overlay Product!

Available in Three Formulations:

- ASPHALT PATCH
- MORTAR
- DOT Industrial Grade

www.pavim.com

Flex Without Failure

Bridge Repair

Concrete and Asphalt Road Repair

Interbay 175 - Salt Lake City Utah

Asphalt Patch - Vancouver BC

Reinforced: Superior flexural and tensile strength as thin as 1/4" in ductility, allowing the overlay or patch to 'FLEX' without failure. 9 times the tensile strain capacity of other cement-based products. 3 times the bond strength of other fibers for superior crack resistance. Prevents the propagation of existing cracks through the surface. Resists de-icing salts, freeze/thaw cycles. High abrasion resistance.
