

Global Sealer Technologies

24 Hour Emergency:

INFOTRAC: 1-800-535-5053

CONTRACT #93918

NOTE: INFOTRAC emergency number to be used only in the event of chemical emergencies involving a spill, leak, fire, exposure or accident involving chemicals.

MATERIAL SAFETY DATA SHEET

Section I – Chemical Product and Company Identification

Product Identifier: GST Stone Enhance

Product Code: 514

Company:

GST International
855 E. Greg Street #103
Sparks, NV 89431
1-888-898-8181

Section II – Composition/Information on Ingredients

If present, IARC, NTP and OSHA carcinogens and chemicals subject to the reporting requirements of SARA title III Section 313 are identified in this Section.

<u>Ingredient</u>	<u>% (By Weight)</u>	<u>CAS#</u>	<u>OSHA PEL</u>	<u>ACGIH TLV</u>
Stone Protector w/ Enhancer	80-100%	None	Not Established	Not Established

Section III – Hazards Identification

Ingestion: Although ingestion is unlikely, liquid would irritate upper digestive tract if swallowed.

Skin: Prolonged and repeated contact with skin and cause defatting and drying of the skin resulting in skin irritation and dermatitis.

Inhalation: Exposure to high vapor concentrations may cause eye and respiratory tract irritation, headache, dizziness, nausea, drowsiness and loss of consciousness.

Eye: Pre-existing eye skin and respiratory disorders may be aggravated by exposure to this product.

HMIS Codes:

Fire: 0
Health: 1
Reactivity: 0
Personal Protection Index: X

Section IV – First Aid Measures

If Swallowed: Do not induce vomiting. Never give anything by mouth to an unconscious person. Call a physician.

Skin Contact: Immediately wash skin with soap and water. Wash contaminated clothing before reuse.

If Inhaled: Immediately remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Please note: Symptoms may be delayed; prompt medical attention may be required. Call a physician.

Eyes: Immediately flush eyes with plenty of water. Call a physician.

Section V - Fire Fighting Measures

Flash Point: NA
Auto Ignition: NA
UEL: NA
LEL: NA

Extinguishing Agents: Water Spray, Foam, Dry Chemical, CO₂, or media appropriate to surrounding fire conditions.

MATERIAL SAFETY DATA SHEET

Company Name: GST International, LLC.

Product Name: GST Stone Enhance

Issue Date: 2/24/11

Revision Date: 2/24/11

Special Fire Fighting Procedures: Evacuate personnel to a safe area. Wear self-contained breathing apparatus. Wear full protective equipment.

Unusual Fire and Explosion Hazards: None known.

Hazardous Products of Combustion: Burning may produce toxic vapors, including HF and carbon monoxide.

Section VI - Accidental Release Measures

Procedure for Cleanup: Leaks should be stopped as soon as possible. Spills should be contained and cleaned up immediately. Spills should be absorbed with sawdust, sand, oil dry or other absorbent material. Treat or dispose of waste in accordance with all local, state, or federal requirements.

Call INFOTRAC 800 - 535-5053

Section VII - Handling and Storage

Store at temperatures between 40°F to 95°F. Store in a tightly closed container. Store in a well ventilated area. Store away from oxidizing agents, sources of heat, direct sunlight or rain. No smoking in area of storage.

Section VIII - Exposure Controls/Personal Protection

Engineering Controls: Local exhaust is recommended where vaporizing occurs. General ventilation is recommended.

Respiratory Protection: If engineering controls do not maintain airborne concentrations below recommended exposure limits or where vaporizing occurs, wear MIOSH/MSHA approved respiratory protection.

Skin Protection Requirements: Where contact is likely, wear chemical resistant gloves, a chemical suit, rubber boots and chemical safety goggles plus a face shield.

Eye Protection: Chemical safety goggles and full face shield are recommended to avoid contact with eyes.

Section IX – Physical and Chemical Properties

Physical State: Liquid

Specific Gravity: <1.10 (Water = 1)

VOC Content: <55 g/l

Section X - Stability and Reactivity

Stability: Stable at normal temperatures and storage conditions.

Incompatibility (materials to avoid): Avoid contact with oxidizers, metal chlorides and acids.

Hazardous Decomposition or Combustion: May produce CO, HF. Combustion may produce CO₂, CO, and nitrous oxides.

Section XI - Toxicological Information

No information is available.

Section XII - Ecological Information

No information is available.

Section XIII - Disposal Considerations

Treat or dispose of waste material in accordance with all local, state, and federal requirements.

Section XIV - Transportation Information

DOT (DEPARTMENT OF TRANSPORTATION)

Not Regulated by the U.S. Department of Transportation

International Air Transport Association (IATA)

Not Regulated by the International Air Transport Association (IATA)

International Maritime Organization (IMO)

Not Regulated by the International Maritime Organization (IMO)

Section XV - Regulatory Information

Federal Regulations:

Sara Title III - Section 311

Immediate (Acute) Health Effects:	No
Chronic (Delayed) Health Effects:	No
Fire Hazard:	No
Sudden Release of Pressure Hazard:	No
Reactivity:	No

Sara Title III - Section 313

Volatile Organic Compounds <100 g/L

Title V of the Clean Air Act:

None

Canada:

WHMIS Hazard Symbol:

None

Canadian Disclosure List:

None

The information on this MSDS was obtained from sources which we believe to be reliable. However, the information is provided without any warranty, expressed or implied, regarding its correctness. Some information presented and conclusions drawn herein are from sources other than direct test data on the product itself. The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For these reasons, we do not assume responsibility and expressly disclaim any liability for loss, damage, or expense arising out of or in any way connected with handling, storage, use, or disposal of this product. If the product is used as a component in another product, this MSDS may not be applicable. It is the responsibility of the user to comply with all Federal, State, and Local laws and regulations.
